

Mohammad Robiul Hossain

Contact Number: 01882850027

Email Address: robiul2428@gmail.com

Address: Fatehabad College Road, Hathazari, Chattogram

I am a self-taught Web Developer and IT specialist with 4 years of experience. Skilled in website design and development as well as custom software solutions. Proficient in Facebook Pixel setup, event tracking, digital marketing, and web development. Experienced in office applications, data entry, email handling, and general IT support. Currently working on projects from local marketplaces to further enhance my skills.

Top Skills

■ *Website design and development*

(Creating modern, responsive, and user-friendly websites. Experienced in building E-commerce websites, Corporate websites, Portfolio websites, Hotel booking websites, Travel agency management systems, and custom software solutions. Can handle both design (UI/UX) & development (frontend & backend) effectively.)

■ *Digital marketing*

(Skilled in Facebook Pixel setup, Facebook ads, event tracking, product catalog, on-page SEO, and campaign optimization to boost engagement, traffic, and conversions. Able to analyze data and improve marketing performance.)

■ *Microsoft office management*

(Proficient in Word, Excel, PowerPoint for professional documentation, reporting, presentations, and office workflows.)

Work Experience

Freelance Web Developer & IT Specialist

Self-employed | 2019 – Present

I develop and maintain websites and custom software solutions for any kind of business or industry, including e-commerce, corporate, portfolio, and travel management systems. Skilled in Facebook Pixel, event tracking, digital marketing, and handling office tasks like data entry and email management.

Support Web Developer (Remote)

Quicktech IT, Dhaka, Bangladesh | 2023 – 2024 | Reference: Alim Khan

Worked remotely on PHP Laravel projects, focusing on bug fixing, troubleshooting, and resolving technical issues. Assisted in maintaining existing websites and custom applications, and took on project-based assignments for new projects. Collaborated virtually with the team to ensure timely delivery and high-quality standards.
